ID No: FBCNW – 16 - 216

Version: 3.0

Applies to: All Staff  
All Clients

Applicable Standards:  
Applicable Legislation:  
Contractual Obligations:

Family Based Care Tasmania (FBC) provides options for clients with respect to transport during provision of support.

The option for clients of FBC to apply for their own vehicle to be approved for transport which occurs during the course of support is available.

As per Form – Use of Client Car – Client Application, vehicles must be roadworthy, registered, fully insured, and the client will cover all associated vehicle costs incurred during support time.

When rostering work which includes driving FBC staff will be guided by the Policy - Fitness for Work to ensure the provision of a workplace which is safe and conducive to a productive work environment.
